Re: Bob Brady for Congress - C00333740

This letter is prompted by the Federal Election Commission's preliminary review of our July and October quarterly reports.

It appears that loans made to the Philadelphia Democratic City Committee exceeds the limits established by the Act. The Act precludes making contributions to any other political committee in excess of \$5,000 per calendar year (2 U.S.C. § 441a (a)).

Loans are apparently deemed as contributions. In the calendar year, \$122,000 in loans were made to the Philadelphia Democratic City Committee. Therefore, Bob Brady for Congress is requesting a retind of \$117,000 in accordance with guidelines that have been established by the Federal Election Commission. (See annexed letter dated March 9, 1999).

Your prompt response is greatly appreciated.
